SOLD	Paris, France
CERTIFICATE	20260611-0077

CURATORIAL NOTES

Turn into rue Agar at twenty to five, where Guimard's buildings of 1911 line the street with quiet Art Nouveau grace. Blue and lavender, purple and magenta, green and a clean white bar over teal — the whole street eases toward evening, the light growing tender and the day beginning to let go.

This is one of the 72 Facets of Paris, each born of a single measure of a piano waltz. From the chord E♭−9 the artist drew this hour's spirit, then painted it through his ideamorphic method as the waltz eases, the afternoon waning.

Acrylic on paper, 18 × 13 cm, signed on the reverse. A serene, sought-after facet of Guimard's Paris — a small, glowing piece to carry the hush of a late-afternoon street into your home.

THE ARTIST

Arnaud Quercy

Arnaud Quercy is a Parisian artist working across painting, music, and sculpture. His practice is grounded in Ideamorphism — the principle that a work of art does not carry meaning, but triggers it. Each piece is engineered to diffract differently through each person who encounters it.
