## DESCRIPTION

'The Heart of the Traveller' by Arnaud Quercy is an evocative and dynamic piece rendered in acrylic on paper. The painting features a vibrant interplay of colors and abstract forms that seem to capture the essence of a traveller's spirit. Dominated by a bold red shape, which can be seen as a symbolic heart, the composition is enriched with a palette of muted greens, earthy tones, and contrasting whites and blacks. The artwork exudes movement and energy, with lines and shapes that suggest pathways, encounters, and experiences that one might gather on a journey. The textured application of acrylics adds depth and tactile quality to the piece, inviting viewers to explore its layered narrative.
