Availability	Sold

PROVENANCE

Origin: Arnaud Quercy, Paris, France, 2023

Acquired: 2024-10-07 — Private collection — Berkeley, USA during *Rencontres au Marché de la Création*

DESCRIPTION

'The Solitary Cyclop - Collector of Sea Snails' by Arnaud Quercy is a richly textured oil pastel piece that merges abstract forms with a sense of whimsy. The composition features a central cyclopean figure, intricately crafted with bold lines and a palette of earthy tones interspersed with vibrant patches of red, blue, and yellow. The abstract nature of the work invites multiple interpretations, but the title guides the viewer towards imagining the solitary figure amidst a coastal setting, methodically collecting sea snails. The interplay of shapes and colors creates a dynamic yet harmonious scene, capturing both the solitude and the meticulous nature of the cyclop's endeavor. The layering of pastels adds depth and a tactile quality to the piece, enhancing its visual appeal and emotional resonance. Through this work, Quercy explores themes of solitude, nature, and the beauty found in simple, solitary pursuits.

WHERE THIS WORK LIVES

Series: Aegean Whispers

Collection: Mediterranean Echoes

Technique: Oil
