## CURATORIAL NOTES

Unbridled Spirit explores dynamic movement and spontaneous form through abstract watercolor techniques. Part of the American Voyage collection, this work captures the essence of freedom through bold color relationships and flowing organic shapes that resist geometric constraints.

Dark contours define interconnected forms that flow across the paper surface. Warm orange and coral tones occupy substantial areas, creating vibrant focal points against cooler blue-violet passages. The composition organizes colors into overlapping zones where transparent watercolor layers create depth and visual complexity. Linear elements drawn in black ink provide structural anchors throughout the fluid color areas.

The work measures 19.0 × 26.0 cm on paper and weighs minimal due to its watercolor medium. Certificate of authenticity number 20231231-0037 accompanies the piece, with the artist's signature located on the back. This painting represents Quercy's contemporary approach to abstract expression through traditional watercolor methods.
