CURATORIAL NOTES

This work explores the visual translation of a B minor piano chord through chromesthetic mapping. Part of the Synesthetic Explorations collection, the piece demonstrates how musical harmony can be rendered as color relationships on paper.

Yellow-green tones dominate the composition, appearing in varied intensities across geometric forms that suggest piano keys and musical structure. Orange accents provide harmonic contrast,

while subtle yellow and yellow-orange details complete the chord visualization. The acrylic medium allows for clean color boundaries and precise geometric relationships.

The work measures 16 × 21 cm on paper and weighs minimal for easy display. Certificate of authenticity number 20240602-0111 accompanies the piece, with the artist's signature located on the front right. This étude translates the B minor triad into its chromesthetic equivalent, creating a visual score where color becomes the primary musical language.
