DESCRIPTION

'Breeze over Azure Walls - Sea and Memories' invites viewers into a tranquil world shaped by the interplay of architecture, light, and the whispers of the sea. This evocative watercolor painting combines abstract geometric forms and fluid brushstrokes to capture the essence of coastal serenity and timeless reflections.

The layered shades of blue, green, and soft earth tones evoke the weathered walls of Mediterranean villages, touched by salt and time. The deep purples and dark accents hint at the shadows cast during sunset, adding a sense of depth and quiet nostalgia. Linear patterns intersect with organic shapes, suggesting fragmented memories and fleeting impressions, much like the sea breeze carrying echoes of distant places.

Arnaud Quercy skillfully balances transparency and structure, creating an intricate dialogue between nature and man-made forms.

The composition's vertical elements resemble architectural silhouettes—perhaps windows, towers, or sails—inviting interpretations of journeys and stories hidden within the landscape.

Part of Quercy's 2024 collection, this piece continues his exploration of abstract harmony and emotional resonance through color and line.

It speaks to those who are drawn to art that combines minimalist structure with poetic fluidity.

Delivered with a Certificate of Authenticity (N° 20241205-0298), this artwork ensures originality and quality. Signed by the artist, it is an exceptional addition to contemporary and classic interiors, perfect for collectors seeking subtle yet impactful visual narratives.
