## CURATORIAL NOTES

Composition 2 explores the balance between geometric structure and organic color flow through acrylic on paper. Part of the Untamed Creations collection, this work examines how linear

elements can organize color fields while maintaining visual spontaneity. The piece demonstrates controlled abstraction where architectural forms meet fluid color relationships.

Dusty mauve tones dominate the composition, creating substantial presence across the surface. Yellow-green areas provide bright contrast, appearing throughout the middle and upper sections. Red accents punctuate key areas, while gray elements establish structural boundaries. The acrylic medium allows colors to layer and blend, creating subtle transitions between defined zones. Black linear elements organize the composition into geometric sections, with curved and angular forms creating visual rhythm.

The work measures 21.0 × 29.5 cm on paper, positioning it as an intimate study within the contemporary abstract tradition. Certificate of authenticity number 20240407-0062 accompanies the piece, with the artist's signature on the back. The Untamed Creations collection explores spontaneous mark-making within controlled compositional frameworks, and this work demonstrates the series' approach to balancing structure with expressive freedom.
