## DESCRIPTION

'Dusk on the Ionian Sea' captures the tranquil beauty of twilight descending upon coastal horizons. This abstract watercolor, painted on high-quality paper, invites viewers into a dreamlike landscape where geometric shapes and organic forms blend seamlessly, evoking the serenity of the Mediterranean coast.

The piece features a dominant palette of soft greens and purples, symbolizing the sea and sky as they merge at sunset.

The horizontal bands of color mirror the rippling waves and fading light, while vertical lines and structured forms hint at architectural silhouettes—perhaps distant masts or coastal structures. A single tilted shape in the foreground suggests movement, as if caught by the shifting tide or a gentle breeze.

With its layered tones and subtle gradients, the artwork embodies the calmness and reflection inspired by nature's transitions. It draws on the artist's fascination with capturing fleeting moments—where light, water, and land briefly harmonize before nightfall.

Part of Arnaud Quercy's 2024 collection, this piece reflects his continuing exploration of balance between geometry and emotion. It resonates with viewers seeking art that inspires contemplation and brings a sense of stillness to any space.

'Dusk on the Ionian Sea' is delivered with a Certificate of Authenticity (N° 20241205-0295), ensuring its originality and value. Signed by the artist, it stands as a unique creation, perfect for collectors and art enthusiasts alike.
