CURATORIAL NOTES

Meditations explores the essence of contemplative space through minimal intervention and careful restraint. This watercolor from the Untamed Creations collection demonstrates how a single accent can transform an entire composition, creating focus through deliberate simplicity.

Warm tan and rosybrown tones fill most of the paper surface, creating a unified field that suggests both wall and shadow. A small blue accent appears in the upper portion, providing the only

cool note against the predominantly warm palette. The composition divides into distinct zones where light cream areas meet deeper brown shadows, while the watercolor medium allows colors to blend softly at their boundaries.

The work measures 10.0 × 15.0 cm on paper and weighs negligible amounts, making it part of Quercy's small-format explorations. Certificate of authenticity number 20240302-0038 accompanies the piece, with the artist's signature located on the back. This watercolor was completed in 2024 and represents Quercy's investigation into how minimal elements can create maximum spatial impact.
