## CURATORIAL NOTES

**Meditations - Variation 2** explores the essence of balance through minimal geometric elements on paper. Part of the Untamed Creations collection, this watercolor distills complex visual relationships into their most fundamental forms. The work questions how few elements are needed to create meaningful spatial dialogue.

Gray tones dominate the composition, creating a neutral foundation that spans more than half the surface. Warm yellow-orange hues appear throughout substantial areas, providing gentle contrast against the cooler grays. A deep red-orange accent punctuates the arrangement, while subtle touches of wheat and dark slate blue create refined color moments. The watercolor medium allows these tones to blend naturally at their edges.

The piece measures 10.0 × 15.0 cm and weighs virtually nothing on paper support. Certificate of authenticity number 20240302-0040 accompanies the work, with the artist's signature located on the back. This compact format concentrates the visual elements into an intimate viewing experience. The work sold to a private collector in Paris, France in June 2024.

## THE ARTIST
