## CURATORIAL NOTES

**Meditations - Variation 3** explores contemplative abstraction through minimal geometric forms arranged on a muted ground. Part of the Untamed Creations collection, this watercolor work distills visual elements to their essential relationships, creating space for quiet reflection through restrained composition and subtle color harmonies.

Yellow-green tones dominate the composition, creating a soft atmospheric foundation that shifts from cooler to warmer areas across the surface. A dark blue circle appears in the upper right, providing focal contrast against the gentle ground. Below, geometric forms in blue and gray tones create structural anchors, with a curved line connecting the elements in fluid relationship. The watercolor medium allows colors to blend naturally at their edges while maintaining distinct boundaries where forms meet.

The work measures 10.0 × 15.0 cm on paper, making it an intimate study in minimal composition. Certificate of authenticity 20240302-0041 accompanies the piece, with the artist's signature located at bottom right. This variation demonstrates how simple geometric relationships can create visual harmony through careful attention to proportion and color temperature.
