DESCRIPTION

'Meditations - Variation 4' captures a moment of tranquility and contemplation through a minimalist and abstract composition. The warm hues of orange and beige create a soothing backdrop, while the geometric shapes and fine lines introduce elements of balance and simplicity. The use of red and blue accents adds a dynamic contrast, drawing the viewer's eye across the piece. The arrangement of shapes and colors symbolizes a journey towards inner peace and harmony. The simplicity of the design encourages the viewer to pause and appreciate the subtle beauty in minimalism. This piece is part of a series where Arnaud Quercy explores themes of serenity and balance through delicate variations of form and color. 'Meditations - Variation 4' serves as a visual reminder of the calm and introspection that can be found in moments of stillness.
