DESCRIPTION

'Portrait with Cat' by Arnaud Quercy is a vibrant and dynamic acrylic painting on linen, measuring 50x56cm. This piece features abstract geometric forms and a rich palette of colors, creating an engaging and lively composition. In the center, two figures are depicted, one of which is clearly interacting with a cat. The figures are constructed using a variety of shapes and colors, giving them a playful and almost whimsical quality. The cat, rendered in similar geometric patterns, adds a charming element to the scene. The background consists of overlapping blocks of color, creating depth and movement within the composition. The use of lines and shapes to define the figures and the cat shows a unique approach to abstraction, blending both organic and structured elements seamlessly.
