DESCRIPTION

Arnaud Quercy Creations / AQC0620 / 2024 The artwork features abstract shapes and forms set against a textured background, with a composition that suggests the interplay of natural and architectural elements one might encounter in the Luxembourg Gardens. Warm and rich colors reflect the natural beauty and the vibrant cultural life of the gardens during the summer. The abstract forms, rendered in a bold, graphic style, invite the viewer to interpret the spaces and figures that emerge from the juxtaposition of color and shape, evoking the experience of a leisurely stroll through one of Paris's most famous spaces.
