## CURATORIAL NOTES

Quiet Embrace explores the delicate balance between geometric structure and organic flow through watercolor's unique properties. Part of the Untamed Creations collection, this work investigates how controlled placement of forms can suggest intimacy and

connection without literal representation. The composition presents an abstract dialogue between architectural elements and fluid passages.

Silver and steel gray tones dominate the composition, creating a neutral foundation that allows warmer accents to emerge with quiet intensity. Burnt sienna and peru provide grounding earth tones, while small areas of cadet blue and olive drab create unexpected color relationships. The watercolor medium allows these hues to blend at their edges while maintaining distinct geometric boundaries in other areas. Dark slate gray and very dark gray anchor the composition with strong vertical and angular elements.

The work measures 10 × 15 cm on paper, making it an intimate study in color and form relationships. Created in 2024 as part of Quercy's exploration of abstract expressionism, it carries certificate of authenticity number 20240120-0008. The artist's signature appears at the bottom right, confirming the work's completion and his satisfaction with the final color harmonies achieved through the watercolor process.
