## CURATORIAL NOTES

Reader of Parc Monceau explores the intersection of solitary contemplation and urban space through abstract Cubist interpretation. Part of the City of Lights, Shadows of Thoughts collection, the work examines how private moments of reflection exist within public Parisian landscapes. The painting questions the relationship between interior experience and external environment.

The composition centers on warm yellow-orange tones that dominate the surface, creating a unified harmonic foundation. Darker brown and gray elements provide structural contrast, while geometric forms fragment and reassemble the reading figure. A subtle salmon-pink accent appears as a small but vital color note.

The oil paint creates smooth transitions between overlapping planes, with geometric shapes suggesting both architectural elements and human form in fragmented unity.

This compact work measures 20 × 20 cm and weighs minimal for display flexibility. The oil on canvas technique allows for precise color relationships within the intimate scale. Certificate of authenticity number 20240514-0075 documents the work's provenance, with the artist's signature positioned on the front right. The piece represents a focused study within Quercy's ongoing exploration of Parisian urban psychology.

## THE ARTIST

### Arnaud Quercy

Arnaud Quercy is a Parisian artist working across painting, music, and sculpture. His practice is grounded in Ideamorphism — the principle that a work of art does not carry meaning, but triggers it. Each piece is engineered to diffract differently through each person who encounters it.
