CURATORIAL NOTES

This work explores the rhythmic energy and passionate movement of tango through abstract geometric forms. Part of the Untamed Creations collection, the piece translates dance into visual language through bold compositional choices and dynamic color relationships.

Red-orange tones dominate the composition, creating substantial presence across geometric shapes and angular forms. Warm blanchetalmond areas provide breathing space between the more intense passages, while darker gray elements anchor the composition with structural weight. The interplay between sharp-edged geometric forms and softer curved elements creates visual rhythm that echoes the push and pull of tango movement. A single accent of dusty mauve appears as a small circular form, adding subtle contrast to the warm palette.

The work measures 10.0 × 15.0 cm on paper, executed in acrylic with the artist's signature placed bottom right. Certificate of authenticity number 20240120-0009 documents this piece from the Untamed Creations series. The compact format concentrates the compositional energy into an intimate scale while maintaining the bold visual impact of the larger geometric relationships.
