DESCRIPTION

Product Description: 'Terres d'Oliviers - Parfum de feuilles' captures the essence of tranquility and nature’s harmony through subtle shades of green and violet. This abstract composition evokes the serene beauty of olive groves, where the air is rich with the scent of leaves and earth. Created with delicate watercolor techniques on fine paper, the artwork features geometric structures and organic shapes that merge to reflect the balance between natural growth and human design.

The soft blending of greens, symbolizing foliage, is juxtaposed against deep violet tones that suggest shadows and depth. Linear patterns outline architectural forms, reminiscent of olive trees standing tall under Mediterranean skies. The artwork’s verticality invites the viewer to explore movement—branches reaching upward and roots grounded in the soil—while the interplay of transparent layers provides a sense of light filtering through leaves.

This piece belongs to Arnaud Quercy’s 2024 collection, where the artist continues his exploration of abstract harmony, inspired by landscapes and emotions. The structured yet fluid forms invite interpretation, making it ideal for collectors who value pieces that blend geometry with organic textures.

'Terres d'Oliviers - Parfum de feuilles' is delivered with a Certificate of Authenticity (N° 20241205-0294), ensuring its originality and value. It is signed by the artist and is a one-of-a-kind creation, perfect for display in contemporary or classic interiors.
