CURATORIAL NOTES

This watercolor explores the essence of Mediterranean olive groves through abstract geometric forms and muted color harmonies. Part of the Mediterranean Echoes collection, the work captures the fragrance and atmosphere of olive leaves through

simplified shapes and layered transparent washes. The composition investigates how memory and place can be distilled into essential visual elements.

Green tones dominate the composition, with yellow-green and blue-green areas creating the primary visual structure. A prominent purple form occupies the left portion, providing chromatic contrast against the surrounding greens. The circular green shape anchors the right side while vertical and diagonal linear elements create movement throughout the surface. The watercolor technique allows colors to blend naturally at their edges, creating soft transitions between geometric areas.

The work measures 15 × 21 cm on paper and weighs minimal due to its support material. This piece represents contemporary abstract interpretation within the Mediterranean Echoes collection, connecting landscape memory to geometric abstraction. Certificate of authenticity number 20241205-0294 documents the work's provenance. The artwork was completed in France in 2024 and has been sold to a private collector in the Netherlands.
