CURATORIAL NOTES

Voyage explores the essence of movement and discovery through abstract forms that suggest a journey without destination. Part of the Untamed Creations collection, this work captures the dynamic nature of exploration using watercolor's fluid properties to create spontaneous interactions between color and form.

Steel gray and silver tones dominate the composition, providing a neutral foundation that allows vibrant accents to emerge with greater impact. Burnt sienna and olive create warm focal points

throughout the surface, while dusty mauve areas add depth and atmospheric quality. The watercolor medium allows these colors to blend naturally at their edges, creating soft transitions that suggest movement and change.

The work measures 10.0 × 15.0 cm and weighs minimal as a watercolor on paper. Certificate of authenticity number 20240302-0043 accompanies the piece, with the artist's signature located on the back. This compact format makes the work suitable for intimate viewing while maintaining the bold visual impact of the abstract composition.

THE ARTIST

Arnaud Quercy

Arnaud Quercy is a Parisian artist working across painting, music, and sculpture. His practice is grounded in Idealism — the principle that a work of art does not carry meaning, but triggers it. Each piece is engineered to diffract differently through each person who encounters it.
