SOLD	Paris, France
CERTIFICATE	20260611-0030

CURATORIAL NOTES

Stand before this small canvas and the baroque church of Saint-Roch sleeps on the rue Saint-Honoré at one in the morning. Lavender and magenta planes fold over a dark teal; a lone amber upright stands like a figure who could not sleep, lit by a single small white square. The great façade is hushed, and only this warmth keeps the hour.

This is one of the 72 Facets of Paris, each measure of a piano waltz painted into colour and form. Still within the prelude — played ad lib, free of the bar, soft and mysterious — it is drawn from the chord C-7b5, that tender half-diminished tension where solitude turns almost sweet.

Acrylic on paper, 18 × 13 cm, signed on the reverse. Live with it and you keep a single light burning for the city while it sleeps.

THE ARTIST

Arnaud Quercy

Arnaud Quercy is a Parisian artist working across painting, music, and sculpture. His practice is grounded in Idealism — the principle that a work of art does not carry meaning, but triggers it. Each piece is engineered to diffract differently through each person who encounters it.
