SOLD	Paris, France
CERTIFICATE	20260611-0062

CURATORIAL NOTES

Twenty to noon on the Place Saint-Sulpice, and the fountain square is at its brightest. You step into gold and yellow-green flooding the open space, a flash of red against black, white squares set on grey like sunlit stone — the heart of the square radiant just before midday, generous and still.

This is one facet of 72 Facets of Paris, a series born of a piano waltz of the same name. Each measure became a Parisian place at an hour, painted into colour through the artist's ideamorphic method. Here the waltz reaches its midday height, and from the chord FMaj7 this canvas draws the golden, open spirit of Saint-Sulpice.

Acrylic on paper, 18 × 13 cm, signed on the reverse. A glowing keepsake of one of Paris's most beloved squares, ready to fill your wall with light.

THE ARTIST

Arnaud Quercy

Arnaud Quercy is a Parisian artist working across painting, music, and sculpture. His practice is grounded in Ideamorphism — the principle that a work of art does not carry meaning, but triggers it. Each piece is engineered to diffract differently through each person who encounters it.
