SOLD	Paris, France
CERTIFICATE	20260611-0093

CURATORIAL NOTES

Step into the place Saint-Georges at ten on a falling night. The Nouvelle Athènes, laid out in 1824, wears its romantic façades in the dark — magenta and blue, navy and green, orange and teal, a single white square holding firm against the black. The hush of an elegant quarter settles around you, lamplit and secret.

This is one of the 72 Facets of Paris, the series born of a piano waltz of the same name, each measure a Parisian place at a given hour. Drawn from the chord B \flat -9, the harmony turns toward dusk as the dance nears its close and circles back to the prelude. To own it is to keep one lit window of the city for yourself.

Acrylic on paper, 18 × 13 cm, signed on the reverse. An intimate, collectible fragment of a painted Paris waltz — a square that belongs to a whole.

WHERE THIS WORK LIVES

72 Facets of Paris · romantic quarter · magenta and teal · collectible art

THE ARTIST

Arnaud Quercy

Arnaud Quercy is a Parisian artist working across painting, music, and sculpture. His practice is grounded in Idealism — the principle that a work of art does not carry meaning, but triggers it. Each piece is engineered to diffract differently through each person who encounters it.
