THE ARTIST

Arnaud Quercy

Arnaud Quercy is a Parisian artist working across painting, music, and sculpture. His practice is grounded in Idea-morphism — the principle that a work of art does not carry meaning, but triggers it. Each piece is engineered to diffract differently through each person who encounters it.

WORLDWIDE SHIPPING

The works shown in this gallery are original works by Arnaud Quercy. Canvases, sculptures and medium to large works leave the studio in a plywood crate built to their exact dimensions, with fitted padding and protection. Plywood is a processed wood, exempt from the ISPM 15 international phytosanitary standard, so the crate crosses borders without treatment or fumigation. Works on paper and small formats travel in a cardboard box.

Crates travel with DHL Express; small cardboard parcels within France and Europe go by Colissimo. Every shipment is insured from the studio to your door, and the work and its packaging are photographed before it leaves.

European Union: free delivery.

United States: delivered duties and taxes paid, free under our [terms and conditions of sale](#). No customs charge is asked of you on delivery.

Other countries: on quotation. The price quoted is final and all-inclusive: crate, transport, insurance, formalities and import duties.
